<p>This Financial Assistance Award approved by the Federal Co-Chair of the Denali Commission is issued in triplicate and constitutes an obligation of federal funding. By signing the three documents, the Recipient agrees to comply with the Award provisions indicated below and attached. Upon acceptance by the Recipient, two signed Award documents shall be returned to the Federal Co-Chair of the Denali Commission and the Recipient shall retain the third document. If not signed and returned without modification by the Recipient within 30 days of receipt, the Federal Co-Chair may unilaterally terminate this Award.</p> <p>The parties agree that the Financial Assistance Award is changed with this Amendment No. 1 by including the following:</p> <ol style="list-style-type: none"> 1. Amendment No. 1 is drafted in accordance with the Joint Project Agreement (JPA) dated November 1, 2001 and between the Denali Commission, the Aleutian/Pribilof Islands Association (A/PIA), the Tanadgusix Corporation, the City of St. Paul, and the Indian Health Service (IHS). 2. A/PIA shall pay \$25,000 for schematic design costs and provide such documentation to the Commission to establish this financial commitment. Note – for accounting purposes the cost share distribution table (above) does not show A/PIA as contributing these funds, however in accordance to the JPA, these funds will be reimbursed by the Commission to A/PIA when, and only if, the Health Center and staffing quarter land is transferred to IHS. In the event the land is not conveyed to the IHS than A/PIA will be contributing these costs to the project notwithstanding the cost share table shown above. 3. A \$100,000 payment (in Commission funds) has already been transferred to A/PIA for conceptual design. 4. An additional \$300,000 (making a total of \$400,000) of Commission funding will be made available to A/PIA for the following: St. Paul Health Center and staffing quarters pre-project planning efforts, any balance of conceptual design and full schematic design, accelerated site/utility design for the 2002 construction season (including on-site analysis of the existing sewer mains along Polovina Turnpike for adequacy to serve the proposed Health Center), completing all necessary existing easement clarifications and coordination, and Commission-approved A&E contractor costs incurred due to delays in executing the JPA (to be approved by the Commission prior to payment made by A/PIA). A/PIA will not undertake or issue direction to their A&E consultant to do more than the work identified in this Amendment No. 1. 5. No interest will be accrued on Commission funds. <p>There are no other changes to the Financial Assistance Award.</p>
